Piglet - Reserve & Sales

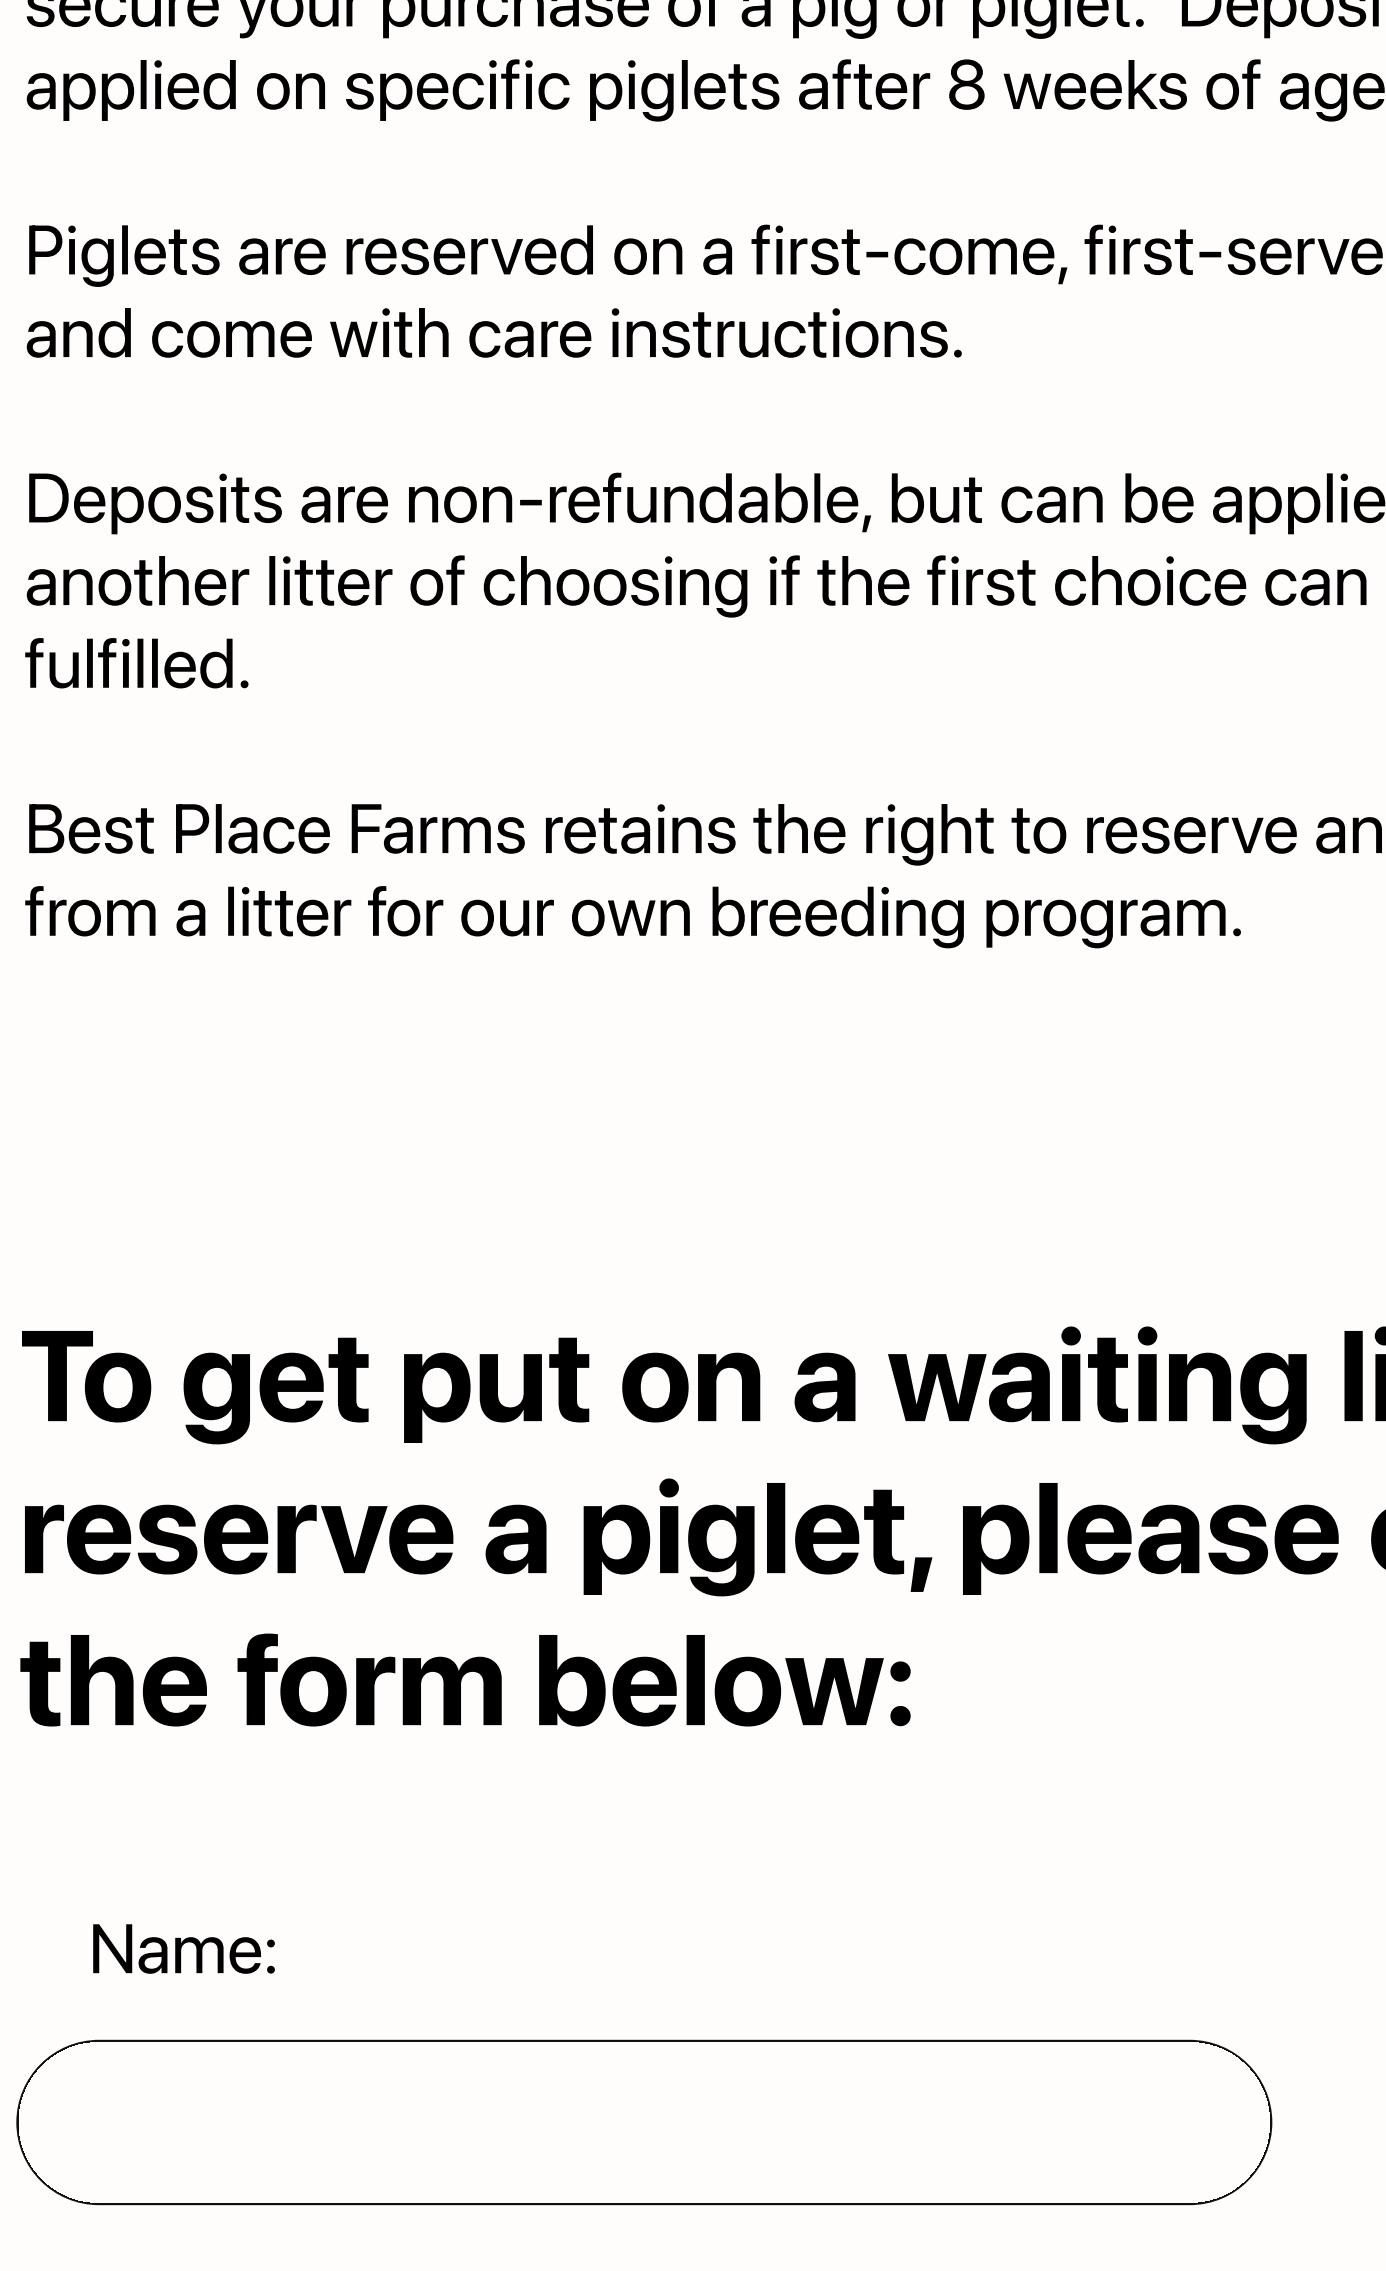

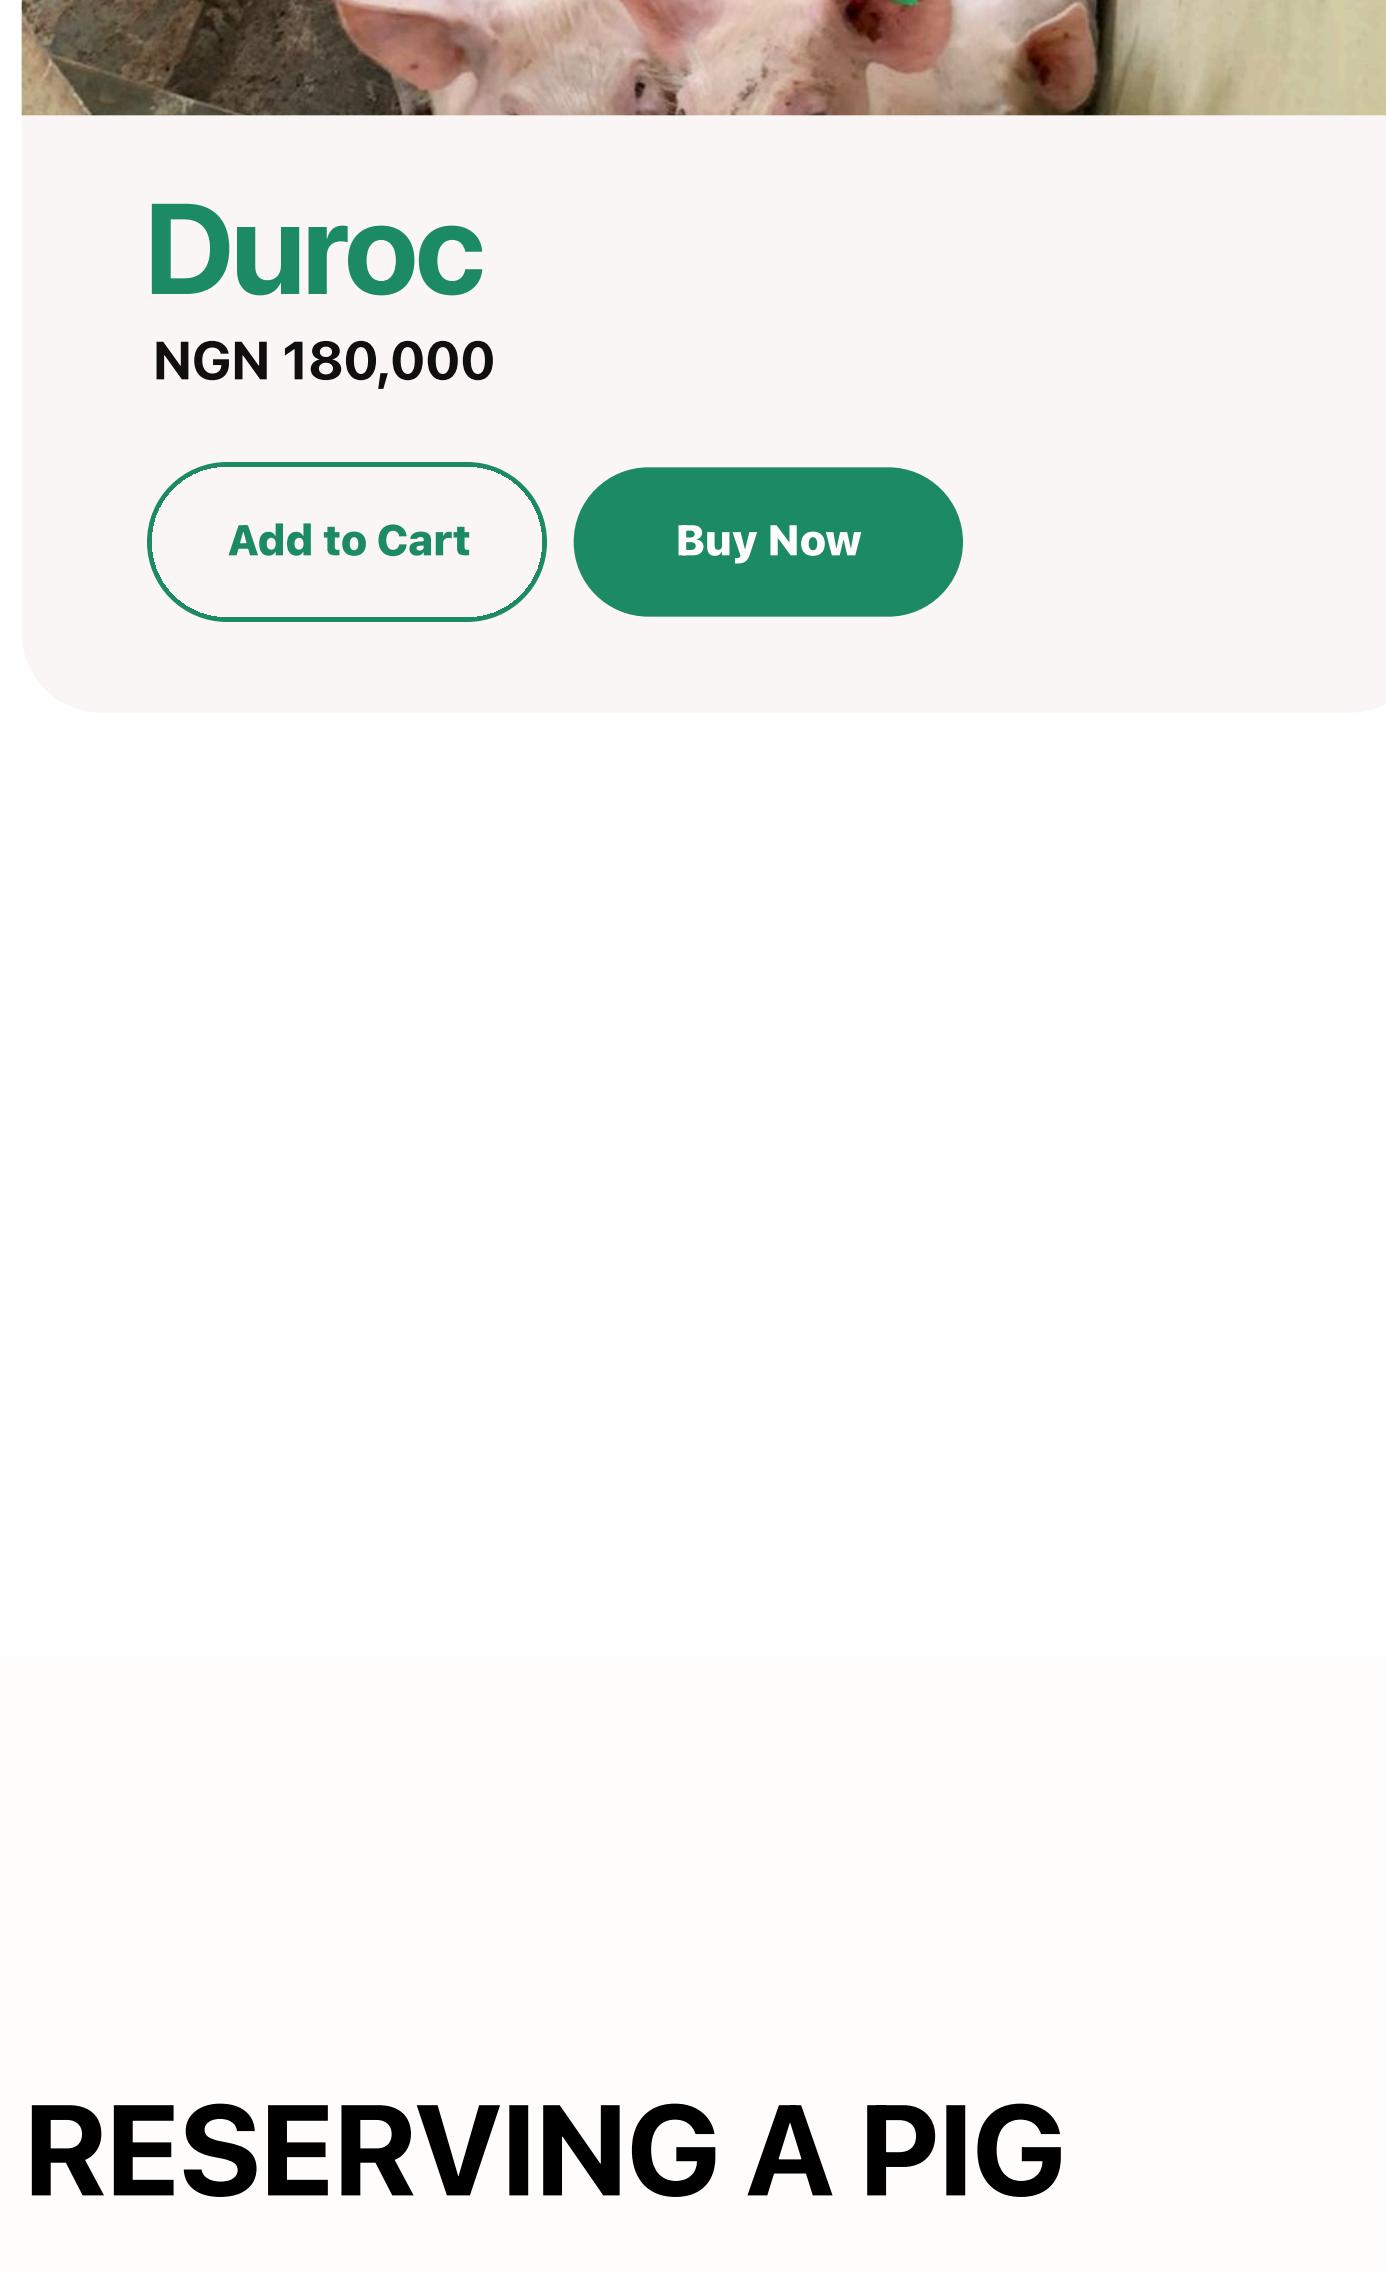

Our Pig Prices

- TN pigs start from ₦150,000 when they are still young (weaned). The price increases as they grow older.
- Registered breeding pigs (under 1 year) cost between ₦200,000 and ₦500,000.
- Proven breeding pigs start from ₦850,000.
- We give discounts when you buy more than one pig.

All our pigs are registered, we don't sell unregistered animals.

Each piglet is registered with AKKPS, and new owners can also register with IKHR if they want.

We also have piglets for school farm projects, training, and rearing.
If you are interested or want to ask questions, please send us an email, we'll reply as soon as possible.

RESERVING A PIG

A non refundable deposit of \$100 per animal will secure your purchase of a pig or piglet. Deposits are applied on specific piglets after 8 weeks of age.

Piglets are reserved on a first-come, first-serve basis and come with care instructions.

Deposits are non-refundable, but can be applied to another litter of choosing if the first choice can not be fulfilled.

Best Place Farms retains the right to reserve any piglet from a litter for our own breeding program.

Breed Showcase

At Epiphany Global Farms, we believe good pigs should not only grow fast but also be easy to handle. That's why we breed pigs that are calm, friendly, and gentle.

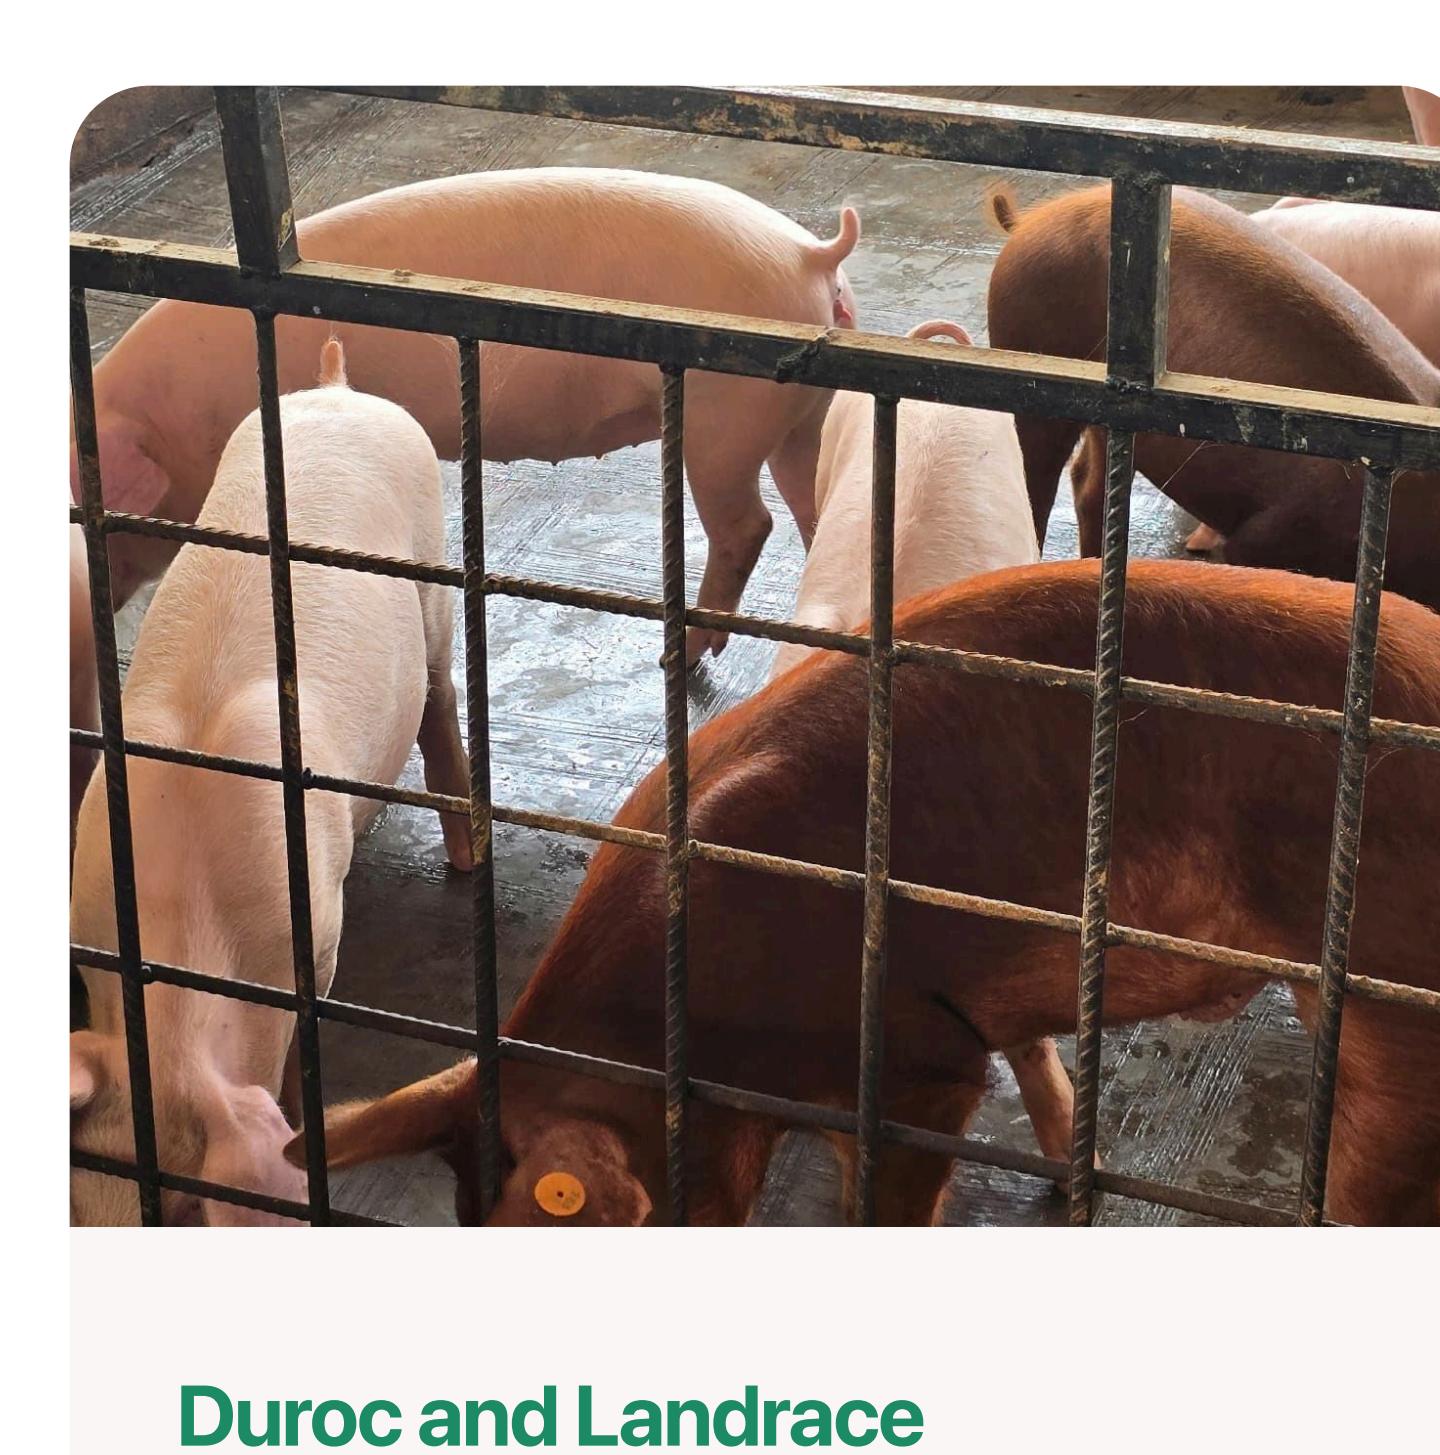

From the caring TN70 mother pig to the strong TN Duroc boar, our pigs are peaceful and easy to manage. They behave well with people and other pigs, which makes the farm safer and more enjoyable.

Because they are calm, our pigs stay healthy, grow better, and make farm work easier. Whether you run a big farm or a small one, Epiphany Global Farms pigs will help you get the best results with less stress.

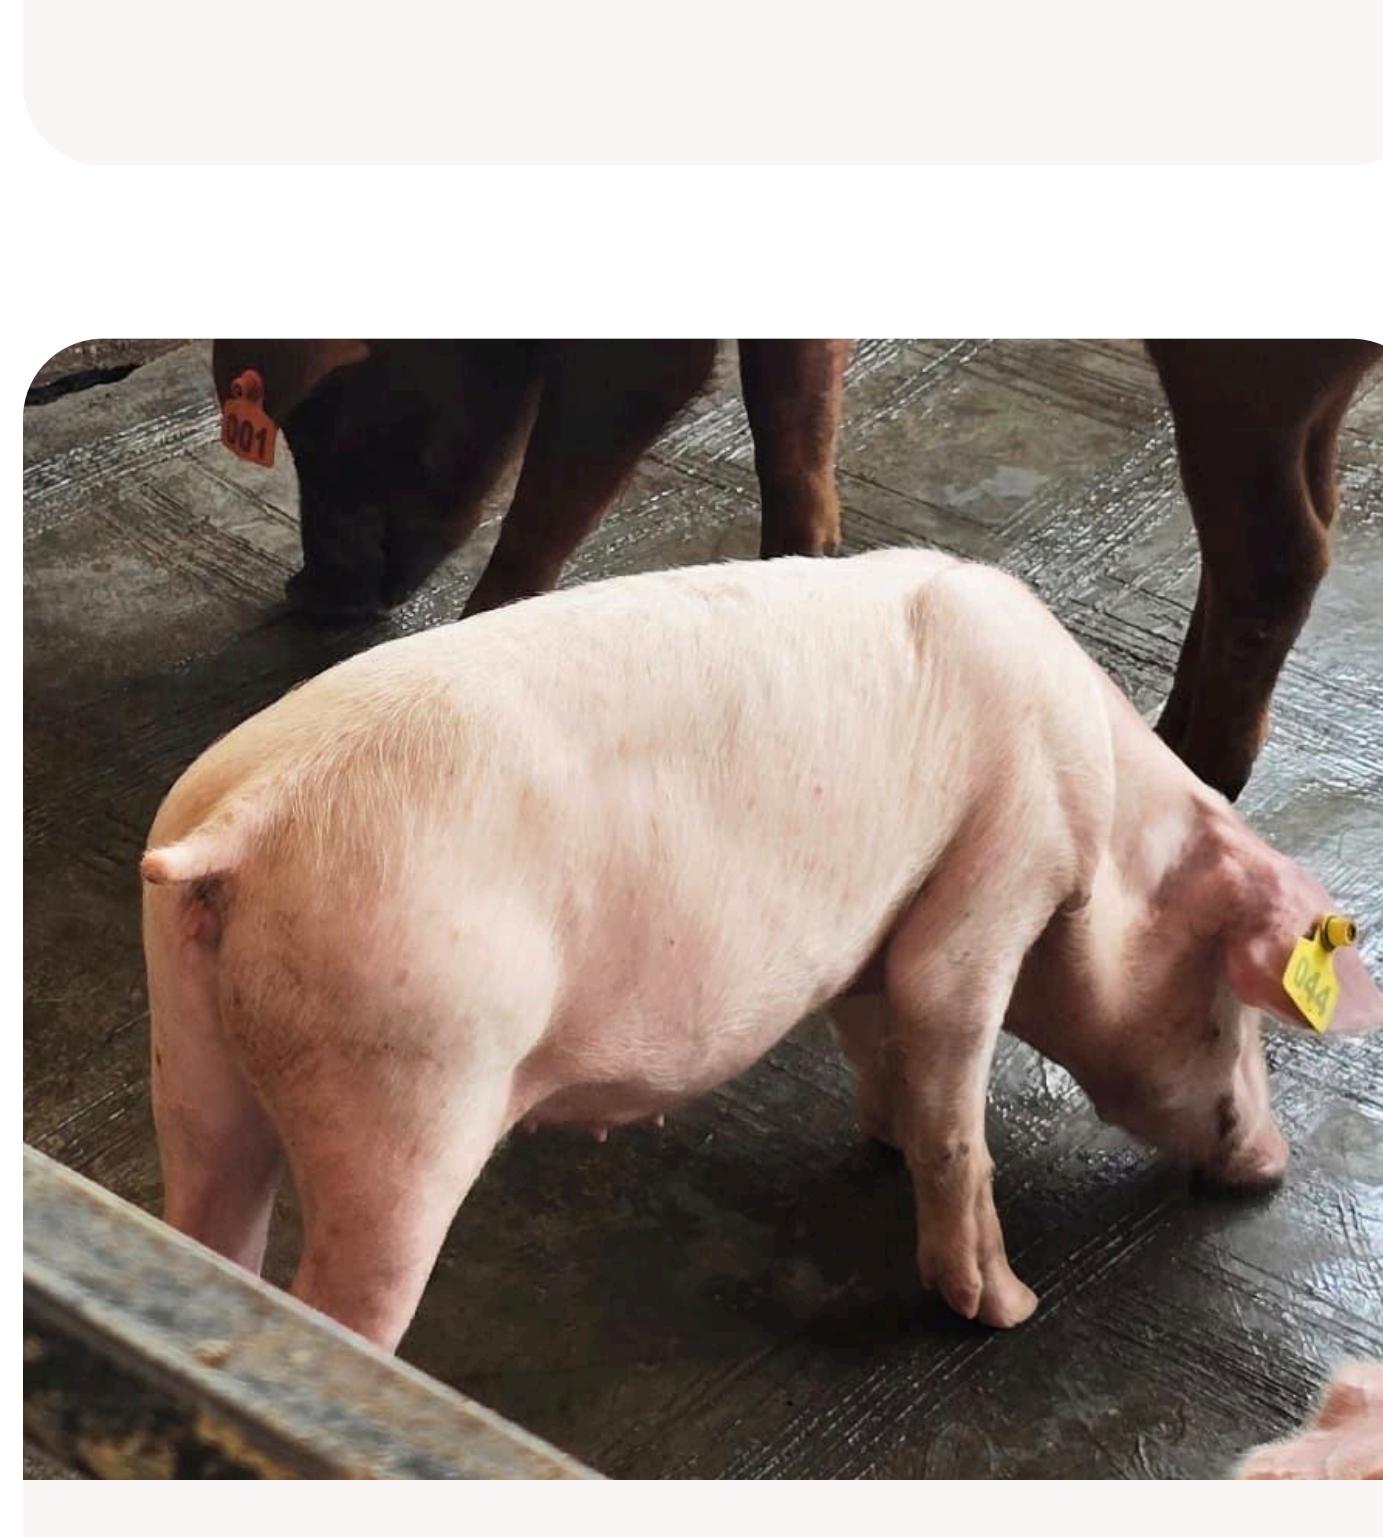

Our pigs are known not only for good growth but also for their good behavior. They are calm, social, and easy to care for, giving farmers peace of mind and better results.
